Without limitation, Customer shall comply with any and all transparency-related obligations (including, without limitation, displaying any and all relevant and required privacy notices or policies) and shall have any and all required legal basis in order to collect, Process and transfer to Wiz the Customer Personal Data and to authorize the Processing by Wiz of the Customer Personal Data which is authorized in this DPA.

3. WIZ’S PROCESSING OF PERSONAL DATA

3.1 Application. As used in clauses 3 – 9 herein, Customer Personal Data refers to Customer Personal Data that is subject to Data Protection Laws.

3.2 Roles of the Parties. The Parties acknowledge and agree that with regard to the Processing of Customer Personal Data, (i) Customer is the Controller or Business, (ii) Wiz is the Processor or Service Provider, and (iii) Wiz or its Affiliates may engage Sub-Processors pursuant to the requirements set forth in Clause 6 below.

3.3 Wiz and its Affiliates (as applicable) shall Process Customer Personal Data only in accordance with Customer’s documented instructions, which are set out in this DPA, the Agreement, as necessary for the performance of the Services and for the performance of the Agreement and this DPA, unless required to otherwise by any applicable law, court of competent jurisdiction or other Supervisory Authority to which Wiz and its Affiliates are subject, in which case, Wiz shall inform Customer of the legal requirement before processing, unless that law prohibits such information. Customer agrees that the Agreement is its complete and final instructions to Company in relation to the Processing of Personal Data. Processing any Personal Data outside the scope of the Agreement will require prior written agreement between Wiz and Customer by way of an amendment to the Agreement, and may include any additional fees that may be payable by Customer to Wiz for carrying out such instructions. The duration of the Processing, the nature and purposes of the Processing, as well as the types of Customer Personal Data Processed and categories of Data Subjects under this DPA are further specified in Schedule 1 to this DPA.

3.4 To the extent that Wiz or its Affiliates cannot comply with an instruction from Customer and/or its authorized users relating to Processing of Customer Personal Data or where Wiz considers such instruction to be unlawful, Wiz (i) shall inform Customer, providing relevant details of the

problem; (ii) may, without any kind of liability towards Customer, temporarily cease all Processing of the affected Customer Personal Data (other than securely storing those data); and (iii) if the Parties do not agree on a resolution to the issue in question and the costs thereof, each Party may, as its sole remedy, terminate the Agreement and this DPA with respect to the affected Processing, and Customer shall pay to Wiz all the amounts owed to Wiz or due before the date of termination.

4. RIGHTS OF DATA SUBJECTS. If Wiz receives a request from a Data Subject to exercise its rights under Data Protection Laws (“**Data Subject Request**”), Wiz shall, to the extent legally permitted, promptly notify and forward such Data Subject Request to Customer. Taking into account the nature of the Processing, Wiz shall use commercially reasonable efforts to assist Customer by appropriate technical and organizational measures, insofar as this is possible, for the fulfilment of Customer’s obligation to respond to a Data Subject Request under Data Protection Laws.

5. WIZ PERSONNEL

5.1 Confidentiality. Wiz shall grant access to the Customer Personal Data to persons under its authority (including, without limitation, its personnel) only on a need-to-know basis and ensure that such persons engaged in the Processing of Customer Personal Data have committed themselves to confidentiality.

6. AUTHORIZATION REGARDING SUB-PROCESSORS

6.1 Customer hereby grants general written authorization to Wiz to appoint Sub-Processors to perform specific Processing activities on Customer Personal Data on its behalf. Wiz’s current list of Sub-Processors is included at <https://www.wiz.io/sub-processor-list> (“**Sub-Processor List**”) and is hereby approved by Customer.

6.2. Objection Right for Sub-Processors. Wiz offers a mechanism for Customers to subscribe to notifications of changes to Wiz’s Sub-Processor List via <https://www.wiz.io/legal/sub-processor-list>. If Customer subscribes to receive such updates, Wiz shall provide notification of any intended changes concerning the addition or replacement of other Sub-Processor(s) to the email address which has subscribed thereby giving Customer the opportunity to object. Customer may reasonably object to Wiz’s use of a Sub-Processor for reasons related to the Data Protection Laws by notifying Wiz in writing within ten (10) days after receipt of Wiz’s notice including the reasons for objecting to Wiz’s use of such Sub-Processor. Failure to object to such Sub-Processor in writing within ten (10) days following Wiz’s notice shall be deemed as acceptance of the Sub-Processor. In the event Customer reasonably objects to a Sub-Processor, Wiz will use reasonable efforts to make available to Customer a change in the Services to avoid Processing of Customer Personal Data by the objected-to Sub-Processor without unreasonably burdening Customer. If Wiz is unable to make available such change within a reasonable period of time, which shall not exceed thirty (30) days, Customer may, as a sole remedy, terminate the Agreement and this DPA by providing written notice to Wiz provided that all amounts due under the Agreement before the termination date shall be duly paid to Wiz. Until a decision is made regarding the Sub-Processor, Wiz may temporarily suspend the Processing of the affected Customer Personal Data.

6.3. Where Wiz engages a Sub-Processor, we shall do so by way of a written contract which imposes on the Sub-Processor substantially the same data protection obligations as in this DPA.

Taking into account the state of the art, Wiz shall maintain industry-standard technical and organizational measures, including as required pursuant to Article 32 of the GDPR and other applicable Data Protection Laws, for protection of the security (including protection against unauthorized or unlawful Processing and against accidental or unlawful destruction, loss or alteration or damage, unauthorized disclosure of, or access to, Customer Personal Data), confidentiality and integrity of Customer Personal Data, as set forth in the Security Documentation. 7.2 Third-Party Certifications and Audits. Upon Customer’s written request at reasonable intervals, and subject to the confidentiality obligations set forth in the Agreement, Wiz shall make available to Customer (or Customer’s independent, third-party auditor that is not reasonably objected to by Wiz and bound by confidentiality obligations) a copy of Wiz’s then most recent third-party audits or certifications, as applicable (provided, however, that any such documentation shall be Wiz’s confidential information and shall only be used by Customer to assess compliance with this DPA, and shall not be used for any other purpose or disclosed to any third party without Wiz’s prior written approval and, upon Wiz’s request, Customer shall

return all such documentation in Customer's possession or control). Only as required by applicable Data Protection Laws and at Customer's cost and expense, not more than once per year, Wiz shall allow for and contribute to audits, including remote inspections, conducted by Customer (or Customer's independent, third-party auditor that is not reasonably objected to by Wiz and that is bound by confidentiality obligations) provided that the parties shall agree on the scope, methodology, timing and conditions of such audits and inspections in advance. Notwithstanding anything to the contrary, such audits and/or inspections shall not contain any information, including without limitation, Personal Data that belongs to Wiz's other customers.

If, and to the extent, the Processing of Customer Personal Data which is subject to Data Protection Laws of the EEA Extended Countries includes transfers by Customer from the Extended EEA Countries to Wiz in countries outside the Extended EEA Countries which have not been subject to an Adequacy Decision ("**Third Countries**"), the Parties agree that such transfers shall be undertaken on the basis of the Standard Contractual Clauses, which will be deemed to have been signed by each Party on the Effective Date of this Agreement, are incorporated herein by reference and construed in accordance with Schedule 2 below, unless another mechanism provided for in the Data Protection Laws of the applicable Extended EEA Country applies.

8.3 In the event Customer enables Third Party Integrations (as defined in the Agreement) which involve transfers of Customer Personal Data between Wiz and the Third Party Integration provider, Customer acknowledges and agrees that (a) such Third Party Integration providers are not Sub-Processors of Wiz; (b) such transfers are conducted at Customer's instruction in accordance with an agreement between the Customer and such Third Party Integration provider (which Wiz is not a party to); and (c) Customer shall be solely responsible for such transfers and their compliance with Data Protection Laws, including without limitation, executing Standard Contractual Clauses with such Third Party Integration providers as required.

9. US PRIVACY LAWS

9.1 In performing its obligations under the Agreement and this DPA, Wiz will not: (1) "sell" or "share" for purposes of "cross-context behavioral advertising" or "targeted advertising" (as defined by applicable US Privacy Laws) any Customer Personal Data; (2) retain, use, or disclose Customer Personal Data outside of the direct business relationship between Wiz and Customer; or (3) attempt to re-identify any pseudonymized, anonymized, aggregate, or de-identified Customer Personal Data.

9.2 Wiz will (1) comply with any applicable restrictions under applicable US Privacy Laws on combining Customer Personal Data with Personal Data that Wiz receives from, or on behalf of, another person or persons; and (2) promptly notify Customer if Wiz determines that it (i) can no longer meet its obligations under this DPA or applicable US Privacy Laws; or (ii) in Wiz's opinion, an instruction from Customer infringes applicable US Privacy Laws.

9.3 Wiz certifies that it understands its obligations in this Clause 9.

9.4 The Parties agree that Schedule 1 hereto shall satisfy any requirement under applicable U.S. Privacy Law to provide details regarding the nature of the Processing activities related to Customer Personal Data.

10. PERSONAL DATA INCIDENT MANAGEMENT AND NOTIFICATION. To the extent required under applicable Data Protection Laws, Wiz shall notify Customer without undue delay after becoming aware of the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to Customer Personal Data (a "**Personal Data Incident**"). Wiz shall make reasonable efforts to identify the cause of such Personal Data Incident and take those steps as Wiz deems necessary, possible and reasonable in order to remediate the cause of such a Personal Data Incident. Customer (or its customers), as the Controller or Business, will be the party responsible for notifying supervisory authorities and/or concerned Data Subjects (where required by Data Protection Laws).

11. RETURN AND DELETION OF PERSONAL DATA. Subject to the Agreement, upon termination or expiry of the Services, Wiz shall, make available for return the Customer Personal Data via the Services and delete such Customer Personal Data in accordance with Wiz's customer data retention & deletion policy unless applicable law requires storage of the Customer Personal Data. In any event, Customer agrees that Wiz may retain Customer Personal Data in accordance with its standard backup policy, for evidence purposes and/or for the establishment, exercise or defence of

legal claims and/or to comply with applicable laws and regulations. Notwithstanding anything to the contrary, Customer hereby agrees and understands that, to the extent Wiz performs cloud scanning on behalf of Customer, if and when Customer wants to delete specific Customer Personal Data, Customer may delete such Customer Personal Data from its own databases, and it will automatically be erased from Wiz's databases within a reasonable market standard timeframe. If Customer requests return of the Customer Personal Data, it shall be returned in an industry standard format generally available for Wiz's Customers.

12. TERMINATION. This DPA shall automatically terminate upon the termination or expiration of the Agreement under which the Services are provided, provided that, to the extent Wiz retains any Customer Personal Data following termination or expiration of the Agreement, this DPA shall survive for such period that Wiz retains Customer Personal Data. Clauses 2, 3.4 and 13 shall survive the termination or expiration of this DPA for any reason. This DPA cannot, in principle, be terminated separately to the Agreement, except where the Processing ends before the termination of the Agreement, in which case, this DPA shall automatically terminate.

13. RELATIONSHIP WITH AGREEMENT. Subject to any provisions in Schedule 2 regarding governing law and choice of forum of the Standard Contractual Clauses, the governing law and choice of forum provision in the Agreement shall apply to this DPA. In the event of any conflict between the provisions of this DPA and the provisions of the Agreement, the provisions of this DPA shall prevail over the conflicting provisions of the Agreement. For the avoidance of doubt each Party's and its Affiliates' liability, taken together in the aggregate, arising out of or relating to this DPA, the Standard Contractual Clauses, Data Protection Laws and any other data protection agreements in connection with the Agreement (if any), shall be subject to any aggregate limitations on liability set out in the Agreement. NOTWITHSTANDING THE FOREGOING, IF CUSTOMER IS USING THE SERVICES FOR A FREE TRIAL, WIZ'S MAXIMUM AGGREGATE LIABILITY TO CUSTOMER UNDER OR RELATED TO THIS DPA SHALL BE CAPPED AT ONE THOUSAND DOLLARS US (\$1,000 US).

14. MISCELLANEOUS. Any Wiz obligation hereunder may be performed (in whole or in part), and any Wiz right (including invoice and payment rights) or remedy may be exercised (in whole or in part), by an Affiliate of Wiz. This DPA may be amended by Wiz from time to time in its sole discretion, with such updated version posted to Wiz's website, provided, however, that no such update shall materially diminish the privacy or security of Customer Personal Data.
