

## WIZ FOR U.S. GOVERNMENT SUBSCRIPTION ADDENDUM

This Wiz for U.S. Government Subscription Addendum (“**Addendum**”) is made as of the Effective Date between Customer and Wiz, Inc. (“**Wiz**”), and supplements the terms of the Wiz Subscription Agreement (the “**Agreement**”) entered into by the parties. Capitalized terms used but not defined herein shall have the meaning ascribed to them in the Agreement. To the extent there is any conflict between this Addendum and the Agreement, and solely as to services or products hosted in the *Wiz Moderate for U.S. Government* environment, this Addendum will prevail. Additionally, and for the avoidance of doubt, any terms and conditions of the Agreement related to security of the Services shall not apply to services or products hosted in the *Wiz Moderate for U.S. Government* environment, the security of which is exclusively addressed in the FedRAMP information packaged describing the *Wiz Moderate for U.S. Government* environment, available on request from Wiz or the FedRAMP Program Management Office.

To address the needs of United States (“**U.S.**”) Federal, State, Local and Tribal Governments, along with those of regulated entities that have a requirement to meet U.S. Federal Government cybersecurity standards, Wiz makes available the Wiz Advanced for Government, Wiz Essential for Government and Wiz Sensor for Government offerings, hosted in the *Wiz Moderate for U.S. Government* government community cloud environment.

Any customer purchasing an offering hosted in the *Wiz Moderate for U.S. Government* must demonstrate that it has a requirement to meet U.S. Federal Government security standards by agreeing to the terms in this Addendum.

### 1. Customer Eligibility Requirements.

1.1. Customer certifies that it currently meets, and will continue to meet during the term of this Agreement, at least one of the following eligibility requirements for use of services or products hosted in the *Wiz Moderate for U.S. Government* environment:

1.2 Customer is a United States government agency (federal, state, local, tribal, territorial, Federally Funded Research and Development Center (FFRDC) or lab entity); or

1.3 Customer is a contractor, subcontractor or cloud service provider of a United States government agency intending to leverage Wiz's FedRAMP Moderate authorization for purposes of control inheritance; or

1.4 Customer is a contractor or subcontractor of a United States government agency using or intending to use services or products hosted in the *Wiz Moderate for U.S. Government* environment for the fulfillment of a contract with such an agency.

1.5 Customer is responsible for monitoring Customer Data that is processed in the *Wiz Moderate for U.S. Government* environment, and Customer agrees that all scanning services utilized and all workloads in Customer's environment connected to Customer's tenant in the *Wiz Moderate for U.S. Government* environment will comply with the Customer Eligibility Requirements.

1.6 Customer agrees that it will promptly notify Wiz in writing should it no longer meet any of the eligibility requirements described above. If Customer no longer meets any of the eligibility requirements described above, Wiz will have the right, at its sole discretion, to consider the same as Customer's material breach of the Agreement.

### 2. Wiz's FedRAMP Authorization.

2.1 The *Wiz Moderate for U.S. Government* environment has been granted an agency-level FedRAMP Moderate Authority to Operate (ATO). Customer acknowledges that *Wiz Moderate for U.S. Government* has not been granted a FedRAMP Moderate provisional authorization through the Joint Authorization Board (JAB).

2.2 Wiz has established and will maintain the controls as detailed in the information package describing the *Wiz Moderate for U.S. Government* environment and supporting its agency-level FedRAMP Moderate ATO. As required by FedRAMP, Wiz will obtain assessments against such standards and audit methodologies by a Third-Party Assessment Organization (“**3PAO**”) and make the executive reports available to Customer upon written request. Customer may request the current information package describing the *Wiz Moderate for U.S. Government* environment or the most recent 3PAO assessment from Wiz or the FedRAMP Program Management Office ([https://s3.amazonaws.com/sitesusa/wp-content/uploads/sites/482/2017/02/FedRAMP-Package-Request-Form\\_V5\\_03012017.pdf](https://s3.amazonaws.com/sitesusa/wp-content/uploads/sites/482/2017/02/FedRAMP-Package-Request-Form_V5_03012017.pdf)). The information package and assessment documentation will be treated as Confidential Information under the Agreement.

**3. Additional Customer Data Restrictions.** Customer will not provide any classified data to Wiz, and Wiz services or products hosted in the *Wiz Moderate for U.S. Government* environment may not be used to process or store classified data. Customer will be responsible for all sanitization costs incurred by Wiz if Customer introduces such data into the *Wiz Moderate for U.S. Government* environment or any other Wiz system. NOTWITHSTANDING ANY CONTRARY PROVISION IN THE AGREEMENT, CUSTOMER AGREES THAT ANY LIMITATIONS OF LIABILITY SET FORTH IN THE AGREEMENT WILL NOT APPLY TO CUSTOMER'S LIABILITY FOR ANY COSTS RELATED TO SUCH SANITIZATION OR THIRD-PARTY CLAIMS AGAINST WIZ RELATING TO WIZ'S POSSESSION, STORAGE, OR PROCESSING OF CLASSIFIED DATA PROVIDED BY CUSTOMER OR ITS USERS TO WIZ.
