

Wiz MVP Program - Code of Conduct

Welcome to the Wiz's Most Valuable Professional (“**MVP**”) Program (the “**Program**”)! This Program brings together individual experts and advocates from our customer and partner communities to foster innovation, share knowledge, and help shape the future of our products and services. This Code of Conduct outlines our expectations for all MVPs and the broader Wiz community to ensure a safe, respectful, inclusive, collaborative and professional environment for everyone involved. By participating in this Program, you agree to abide by this Code of Conduct.

As a Wiz MVP, you're not just sharing your expertise, you're shaping our community. We expect all participants to embody the following MVP Core Values in everything they do. These principles apply to all interactions in connection with the Wiz MVP Program, including events, community forums and external engagements where you represent your MVP status.

- **Be respectful and inclusive** – Treat others with kindness, fairness, and professionalism, regardless of background, identity, or perspective. Welcome different viewpoints, ask questions with curiosity, and be mindful of cultural and communication differences.
- **Build trust through integrity** – Engage transparently, avoid misrepresentation, and respect confidentiality, both for Wiz and fellow participants.
- **Drive innovation with purpose** – Bring a growth mindset. Share thoughtful feedback, offer new ideas, and contribute to improving the Wiz experience for everyone.
- **Support the community** – Promote a collaborative environment by encouraging knowledge-sharing over competition. Be open to learning from others, regardless of their experience or title.
- **Lead with Empathy** – Assume good intent. Listen to understand and be patient and constructive in your feedback. Offer support when others struggle and ask for help when you need it.
- **Communicate Thoughtfully** – Think before you speak or post, your words matter. Foster a safe, welcoming space for open discussion. If you make a mistake, take responsibility and make it right.
