

Wiz Purchase Order Terms and Conditions

The following are the terms and conditions ("Terms") upon which Wiz, Inc. or any of its affiliates ("Wiz") as designated on the face of a properly executed purchase order ("PO") will purchase from the identified Vendor ("Vendor") and Vendor will sell to Wiz the goods or product or perform for Wiz the services identified. In addition, if Wiz has provided Vendor with any supplementary terms, conditions, or requirements in a request for proposal, bid specification, contract, addendum, or other writing concerning the subject matter of this PO, those terms, conditions, or requirements shall also apply, and are incorporated herein by reference. Vendor's performance of services or provision of goods under this PO constitutes Vendor's acceptance of the Terms without exception. No deletion, addition, or amendment of the terms and conditions of this PO—whether contained in Vendor's quote, acknowledgment, invoice, packing list, or delivery slip—is binding without Wiz's express written approval. In the event of any conflict the following order of precedence shall control: (a) negotiated terms signed by both parties relating to the products/services provided, (b) any terms printed on the face of the associated PO, and (c) these Terms.

1. Purchase Orders

Wiz will not be responsible for payment obligations with respect to goods supplied or services performed by Vendor without a written PO. Wiz may terminate a PO or any portion thereof for its sole convenience, subject to an equitable adjustment between Vendor and Wiz as to any services or goods then in progress (excluding standard stock). All claims for money due or to become due from Wiz shall be subject to deduction or setoff by Wiz by reason of any counterclaim arising out of this or any other transaction with Vendor.

2. Shipping and Routing

Shipping Terms are DDP (Incoterms 2010) to Wiz's designated ship to specified location stated on the face of the associated PO or order form. Any shipments delivered to another location other than specified will be the responsibility of Vendor to have redelivered to the specific location or reimburse Wiz for any charges in moving the goods to the specific location. All goods must be forwarded by the route taking lowest reasonable transportation rate or in accordance with any special shipping instructions. Otherwise, the difference in freight rate and extra cost of transportation will be Vendor's.

3. Timely Delivery

If the PO sets a date or time for the delivery or performance of goods and services, time is of the essence, and Vendor's failure to deliver or perform in a timely manner will constitute a material breach of these Terms.

Wiz may, at its option and without limiting its other rights, cancel all or any unfilled part of the PO if deliveries are not made within the time specified. Wiz reserves the right to charge Vendor for any loss or expense incurred as the result of Vendor's failure to make timely delivery.

4. Packaging

Vendor's company name and Wiz's PO number must appear on the outside of each package and on all packing slips, invoices, and related papers. All shipments should be securely packed in trade packages of a type normally used by Vendor for commercial deliveries of the same or similar goods. Without limiting the foregoing, Vendor shall observe the requirements of any local laws and regulations relating to hazardous materials, including, with respect to its accompanying information, packing, labeling, reporting, carriage, and disposal. A complete and accurate packing slip must be included with each shipment.

5. Extra Charges

No additional charges of any kind (including, but not limited to, charges for shipping, handling, packaging, fuel surcharges, or insurance) will be allowed unless specifically stated on the PO. Any added charges will be automatically deducted from invoices received and not paid.

6. Customs Clearance and Charges

Vendor shall be solely responsible for all costs, fees, and expenses related to customs clearance, including but not limited to duties, taxes, tariffs, and any other charges imposed by customs authorities. Vendor shall ensure compliance with all applicable customs regulations and provide all necessary documentation to facilitate the timely release of goods.

In the event that goods are delayed or detained by customs, Vendor shall take immediate action to resolve the matter at its own expense. If Wiz incurs any costs related to customs clearance, release, or associated delays due to Vendor's failure to fulfill its obligations under this clause, Vendor agrees to reimburse Wiz in full within thirty (30) days of receiving an invoice.

7. Payment Terms

Vendor shall issue an invoice after the completion of delivery or provision of services and only in accordance with these Terms as follows:

- US to: ap.us@wiz.io
- Israel to: ap.il@wiz.io
- UK/EMEA to: ap.uk@wiz.io
- APAC to: ap.au@wiz.io

Invoices must include: Wiz's PO number, invoice date, invoice number, Vendor's complete bill-to and ship-to address, a description of the goods/services provided, price, and any applicable taxes. All invoices must be submitted for payment within sixty (60) days of order fulfillment or successful completion of services. *Any invoices out of compliance will not receive consideration for payment.* It is the responsibility of Vendor to update Wiz with any change to its banking and/or payment instructions. Wiz shall not be responsible for late payments and fees where Vendor has not kept such instructions up to date. Where applicable, Vendor shall reconcile all invoices by the end of each calendar year.

Wiz shall pay all properly invoiced amounts due to Vendor within thirty (30) days of the end of the month in which Wiz has received the invoice, except for any amounts disputed by Wiz in good faith. If Wiz reasonably disputes any portion of Vendor's invoice, Wiz will pay the undisputed portion of the invoice and submit written notice of the claim with sufficient detail to identify the issue. All billing disputes will be submitted to Vendor within ninety days (90) of receipt of invoice. The parties shall then negotiate in good faith to attempt to resolve any such disputes within sixty days (60) of notice.

8. Taxes

The amounts to be paid by Wiz to Vendor do not include taxes. Vendor shall invoice, and Wiz will pay or reimburse Vendor, for applicable sales, use, value added taxes or any similar transaction taxes it owes and which the law requires Vendor to collect from Wiz. Wiz shall have no liability for any taxes based on Vendor's assets or income or for which Wiz. If Wiz is required by law to make any deduction or to withhold from any sum payable hereunder, then the sum payable by Wiz upon which the deduction is based shall be paid to Vendor net of such legally required deduction or withholding.

9. Inspection and Rejection

In addition to all remedies permitted by law, Wiz reserves the right to reject and return to Vendor—for full refund and at Vendor's sole expense—all shipments in excess of quantities ordered and all goods that do not conform to Wiz's exact specifications or requirements. All goods and materials furnished under this PO shall be subject to Wiz's inspection, test, and approval or rejection prior to or after delivery due to nonconformance. Payment by Wiz shall not constitute an acceptance or approval of any nonconforming or defective goods or workmanship, nor shall it affect the right of Wiz to later reject the goods or services. Any goods returned by Wiz pursuant to this paragraph or any other paragraph of this PO shall be returned to Vendor at its own risk and expense.

10. Risk of Loss; Warehousing

Risk of loss and transfer of title shall not pass to Wiz until goods are delivered to and accepted by Wiz. If Vendor is warehousing goods which have been ordered under this PO, regardless of warehouse location or whether title has been passed to Wiz, Vendor is responsible for any injury, loss, damage, or destruction to the goods until delivered to and accepted by Wiz.

11. Warranties

Vendor generally warrants and represents that: (a) all products, materials, work, deliverables, or goods supplied under this PO will conform to specifications, drawings, samples, or other descriptions furnished by Wiz and shall be fit and serviceable for the purpose intended, of good quality and workmanship, and free from defect and that Vendor has all the necessary rights of title to transfer to Wiz, and shall not infringe, misappropriate, or violate any third party's intellectual property, or otherwise be defamatory, disparaging, or obscene; (b) It shall comply with the laws and regulations enforced by the United States Office of Foreign Assets Control ("OFAC"), to the extent applicable, including screening against OFAC's list of Specially Designated Nationals and Blocked Persons; (c) it is not and it is not owned or controlled by any person or entity on the list of Specially Designated Nationals and Blocked Persons; (d) it shall comply with all applicable export and import restrictions, customs and foreign trade regulations and shall obtain all necessary export licenses required and shall inform Wiz on any export or trade restrictions that apply; (e) neither it nor any affiliate is directly or indirectly controlled by or acting on behalf of the government of any country or person that is subject to an embargo by the United States, UK, or any individual country in the EU; and (f) there are no claims, proceedings, litigation or pending litigation against Vendor or any of its representatives that may affect or otherwise impact Vendor's ability to perform its obligations hereunder.

The foregoing warranties are in addition to all other warranties, whether express or implied, and will survive delivery, inspection, acceptance, or payment by Wiz.

Vendor agrees to hold harmless, defend, and indemnify Wiz and its directors, officers, agents, servants, employees, successors, assigns, and users against any and all claims, demands, or suits and related damages, liabilities, costs, and expenses (including reasonable attorney's fees) arising out of any such infringement or violation or unlawful use or disclosure of trade secrets without limitation. Such warranties shall survive and shall not be deemed waived by delivery or acceptance of or payment for the goods or services.

12. Independent Contractor

Vendor shall be an independent contractor and has no authority to bind Wiz and shall have no other relationship to Wiz unless otherwise disclosed and approved. Vendor will determine the means and methods of performing its services and will supply all equipment, tools, materials, parts, supplies, and labor required to perform under the terms of this PO. To the extent any such Intellectual Property Rights do not vest automatically in Wiz, Vendor hereby irrevocably assigns (and agrees to assign) such Intellectual Property Rights to Wiz (as well as its designees, successors, and assigns).

Vendor may disclose Wiz's Confidential Information when compelled pursuant to an applicable law, rule, regulation, government requirement, or court order, but only if it (a) promptly provides prior notice to Wiz to provide an opportunity for Wiz to seek a protective order and/or assist Vendor in crafting such disclosure, and (b) discloses only the minimum amount of Confidential Information that is necessary to comply with the required disclosure.
