

Wiz Order Commercial Terms

Direct Order Between Wiz and Customer

1. About the Order

The Order Form ("**Order**") is between Wiz and the customer listed on this Order ("**Customer**").

2. Which Wiz Entity applies?

Standard Contracting Entity: "**Wiz**" means Wiz, Inc., a Delaware corporation.

UK/EU Entity: If Customer is located in the UK or the European Union and purchases directly from Wiz (not through a cloud marketplace), then "Wiz" means Wiz Cloud Limited, an English company.

Wiz and Customer are each a "**Party**" and together the "**Parties**."

3. Governing Terms

- **Main Agreement:** This Order incorporates by reference and is governed by the Wiz Subscription Agreement at <https://legal.wiz.io/legal#wiz-subscription-agreement>, or any other agreement signed by both Parties for Wiz Services ("**Agreement**").
- **Commercial Terms:** This Order and the Wiz Order Commercial Terms ("**Commercial Terms**") set out the commercial terms for Wiz Services.
- **Marketplace purchases:** If this Order is transacted through a cloud marketplace, where applicable the terms of the cloud marketplace also apply to this Order.
- **Definitions:** Capitalized terms not defined here or in this Order have the meanings given in the Agreement.

4. General Payment Terms

- **Invoices:** This Order is not an invoice. Unless paying via a cloud marketplace, payment must be made via ACH or Wire transfer.
- **Advance payments:** Wiz invoices will be submitted within 10 days of the start of each billing period.
- **Post-paid payments:** Wiz invoices will be submitted within 10 days after the end of each billing period.
- **Due date:** Invoices must be paid within the period stated on this Order, starting from the invoice date.
- **Marketplace payments:** For marketplace transactions, payment terms and payment methods are as set by and in the marketplace, as applicable.
- **No early termination:** Notwithstanding anything to the contrary, Customer may not terminate this Order for convenience.

5. Taxes & Usage Adjustments

- **Taxes:** Fees exclude all sales, use, value-added, withholding, and other direct or indirect taxes, charges, levies and duties (“**Taxes**”). Customer will pay all Taxes without deduction. Israeli tax residents purchasing directly must issue a self-tax invoice to remit VAT to local authorities.
- **True-Up Right:** Except for Wiz Tokens, Wiz may review actual usage and true up for any over usage.

6. Wiz for U.S. Government

If a service or product hosted in the Wiz for U.S. Government environment is purchased under this Order, then any reference to an SKU in this Order means the corresponding SKU applicable to that environment.

7. Wiz Tokens

7.1. Wiz Token Rules

- **Billable Unit:** 1 Billable Unit equals 1,000,000 Wiz Tokens.
- **Measurement:** Wiz measures token usage using its system logs, telemetry, and platform reporting.

7.2. Wiz Tokens Commit Rules

- **Wiz Tokens Commit Plan:** For Wiz Tokens Commit plans, Customer’s Wiz Token allocation is specified in the Order (“**Token Commitment**”) and will be invoiced in accordance with the applicable Token Plan Model in Section 7.4. Commitment tokens are available immediately on their respective Start Date and may be used at any time through their respective End Date (the “**Commitment Term**”). Unused tokens expire at the end of the Commitment Term and do not roll over.
- **Overages for Wiz Tokens Commit:**
 - **Orders including Wiz Tokens-PAYG:** If Customer’s Order for Wiz Tokens Commit also includes Wiz Tokens - PAYG, additional usage of tokens in excess of Customer’s Token Commitment will automatically be charged for at the Unit Price for Wiz Tokens - PAYG set out in the Order (excluding any discounts) and will be billed monthly in arrears.
 - **Orders without Wiz Tokens-PAYG:** If Customer’s Order for Wiz Tokens Commit does not include Wiz Tokens - PAYG, once its Token Commitment is exhausted, Customer’s access to Wiz Tokens will be paused until a new Order for the purchase of additional Wiz Tokens is executed.

7.3. Standalone Wiz Tokens PAYG Rules

- **When Wiz Tokens-PAYG applies:** If Customer purchases Wiz Tokens-PAYG only, the rules under this Section will apply.
- **Invoicing for Wiz Tokens-PAYG:** Billed monthly in arrears at the unit price stated in the Order.
- **Minimum overage charge for Wiz Tokens-PAYG:** Monthly overage fees are based on Customer’s token consumption in the relevant calendar month.

7.4. Wiz Tokens Plans-Summarized

Token Plan Model	Description	How Commit Fees are Invoiced	What Happens to Unused Tokens?	What Happens if You Exceed the Token Commitment?
