For the avoidance of doubt, Customer's instructions for the Processing of Customer Personal Data shall comply with Data Protection Laws. As between the Parties, Customer shall have sole responsibility for the means by which Customer acquired Customer Data. Without limitation, to the extent applicable, Customer shall comply with any and all transparency-related obligations (including, without limitation, displaying any and all relevant and required privacy notices or policies) and shall have any and all required legal basis in order to collect, Process and transfer to Wiz the Customer Data and to authorize the Processing by Wiz of the Customer Data which is authorized in this DPA.

3. WIZ'S PROCESSING

3.1 Processing of Data. Wiz may Process Customer Data to provide and support the Services and/or to perform its rights and obligations under the Agreement. In addition, to respond to the evolving threat landscape and provide current and state-of-the-art cybersecurity, as part of providing the Services, Wiz Processes Customer Data to improve the security, threat detection, prevention, and response capabilities of the Services.

3.2 Roles of the Parties under Data Protection Law. The Parties acknowledge and agree that:

(a) with regard to the Processing of Customer Personal Data, (i) Customer is the Controller or Business or, where Customer is acting on behalf of its own customers, a Processor, (ii) Wiz is the Processor or Service Provider, and (iii) Wiz or its Affiliates may engage Sub-Processors pursuant to the requirements set forth in Clause 6 below;

(b) Wiz and its Affiliates (as applicable) shall Process Customer Personal Data only in accordance with Customer's documented instructions, which are set out in the Agreement and this DPA, unless otherwise required by applicable law, court of competent jurisdiction or other Supervisory Authority to which Wiz and its Affiliates are subject, in which case, Wiz shall inform Customer of the

legal requirement before Processing, unless that law prohibits such information. The duration of the Processing, the nature and purposes of the Processing, as well as the types of Customer Personal Data Processed and categories of Data Subjects under this DPA are further specified in Schedule 1 to this DPA; and

(c) to the extent that Wiz or its Affiliates cannot comply with an instruction from Customer and/or its authorized users relating to Processing of Customer Personal Data or where Wiz considers such instruction to be unlawful, Wiz (i) shall inform Customer, providing relevant details of the problem; (ii) may, without any kind of liability towards Customer, temporarily cease all Processing of the affected Customer Personal Data (other than securely storing those data); and (iii) if the Parties do not agree on a resolution to the issue in question and the costs thereof, each Party may, as its sole remedy, terminate the Agreement and this DPA with respect to the affected Processing, and Customer shall pay to Wiz all the amounts owed to Wiz or due before the date of termination.

Notwithstanding anything in this DPA to the contrary, the Parties agree and acknowledge that Wiz does not provide the Services in a manner which complies with data localization requirements for any jurisdiction, and Wiz shall have no liability arising as a result of Customer providing Wiz access to Customer Data or Customer Personal Data that is subject to data localization requirements. As a sole exception, services or products hosted in the Wiz for U.S. Government environment comply with data localization requirements to the extent FedRAMP mandates such requirements.

4. RIGHTS OF DATA SUBJECTS. If Wiz receives a request from a Data Subject to exercise its rights under Data Protection Laws ("Data Subject Request"), Wiz shall, to the extent legally permitted and identifiable, promptly notify and forward such Data Subject Request to Customer. Taking into account the nature of the Processing, Wiz shall use commercially reasonable efforts to assist Customer by appropriate technical and organizational measures, insofar as this is possible, for the fulfilment of Customer's obligation to respond to a Data Subject Request under Data Protection Laws.

5. WIZ PERSONNEL

5.1 Confidentiality. Wiz shall grant access to Customer Data to persons under its authority (including, without limitation, its personnel) only on a need-to-know basis and ensure that such persons engaged in the Processing of Customer Data have committed themselves to confidentiality.

6. AUTHORIZATION REGARDING SUB-PROCESSORS

6.1 Customer hereby grants general written authorization to Wiz to appoint Sub-Processors to perform specific Processing activities on Customer Personal Data on its behalf. Wiz's current list of Sub-Processors is included at <https://www.wiz.io/sub-processor-list> ("Sub-Processor List") and is hereby approved by Customer.

6.2 Objection Right for Sub-Processors. Wiz offers a mechanism for Customers to subscribe to notifications of changes to Wiz's Sub-Processor List via <https://www.wiz.io/sub-processor-list>. If Customer subscribes to receive such updates, Wiz shall provide notification of any intended changes concerning the addition or replacement of Sub-Processor(s) to the email address which has subscribed thereby giving Customer the opportunity to object. Customer may reasonably object to Wiz's use of a Sub-Processor for reasons related to Data Protection Laws by notifying Wiz in writing within ten (10) days after receipt of Wiz's notice including the reasons for objecting to Wiz's use of such Sub-Processor. Failure to object to such Sub-Processor in writing within ten (10) days following Wiz's notice shall be deemed as acceptance of the Sub-Processor. In the event Customer reasonably objects to a Sub-Processor, Wiz will use reasonable efforts to make available to Customer a change in the Services to avoid Processing of Customer Personal Data by the objected-to Sub-Processor without unreasonably burdening Customer. If Wiz is unable to make available such change within a reasonable period of time, which shall not exceed thirty (30) days, Customer may, as a sole remedy, terminate the Agreement and this DPA by providing written notice to Wiz provided that all amounts due under the Agreement before the termination date shall be duly paid to Wiz. Until a decision is made regarding the Sub-Processor, Wiz may temporarily suspend the Processing of the affected Customer Personal Data.

6.3 Where Wiz engages a Sub-Processor, Wiz shall do so by way of a written contract which imposes on the Sub-Processor substantially the same data protection obligations as in this DPA.

7. SECURITY

7.1 Controls for the Protection of Customer Data. Taking into account the state of the art, Wiz shall maintain industry-standard technical and organizational measures, including with respect to Customer Personal Data, as required pursuant to Article 32 of the GDPR and other applicable Data Protection Laws, for protection of the security (including protection against unauthorized or unlawful Processing and against accidental or unlawful destruction, loss or alteration or damage, unauthorized disclosure of, or access to, Customer Data), confidentiality and integrity of Customer Data, as set forth in the Wiz Security Addendum. Upon Customer's request, Wiz will use commercially reasonable efforts to assist Customer, in ensuring compliance with the obligations pursuant to Articles 32 to 36 of the GDPR and other applicable Data Protection Laws taking into account the nature of the Processing, the state of the art, the costs of implementation, the scope, the context, the purposes of the Processing and the information available to Wiz.

8. AUDITS

8.1 Self-Service Assessments. Upon Customer's written request at reasonable intervals, and subject to the confidentiality obligations set forth in the Agreement, Wiz shall make available to Customer (or Customer's independent, third-party auditor that is not reasonably objected to by Wiz and that is bound by confidentiality obligations ("Permitted Auditor")) a copy of Wiz's then most recent third-party audits, certifications, or other information that Wiz makes available in the Wiz Trust Center available at <https://trust.wiz.io> ("Available Resources"). Available Resources shall be Wiz's Confidential Information, shall only be used by Customer to assess compliance with this DPA, and shall not be used for any other purpose or disclosed to any third party without Wiz's prior written approval. Upon Wiz's request, Customer shall return all Available Resources in Customer's possession or control. To the greatest extent possible, Customer shall utilize the Available Resources to assess Wiz's compliance with its obligations under this DPA.

8.2 Questionnaires. To the extent that Customer reasonably requires information or documentation other than the Available Resources to assess Wiz's compliance with its obligations under this DPA, Wiz will reasonably provide written responses to security questionnaires regarding the security and technical capabilities of the Services in accordance with the Wiz Customer Audit Program. Wiz will not provide evidence of such procedures or an evaluation of such procedures in its written responses to such questionnaires pursuant to this section 8.2.

8.3 Audits. Only to the extent that Customer is not able to assess Wiz's compliance with its obligations under this DPA through Available Resources or as set forth in section 8.2 above, and solely if required by Data Protection Laws, then no more than once per year (except if more frequent audits are required by Data Protection Laws) following at least 45 days' notice in writing to customer-assurance@wiz.io from Customer, at Customer's cost and expense, Wiz shall allow for and contribute to remote audits conducted by Customer or a Permitted Auditor pursuant to Wiz's Customer Audit Program. Unless otherwise agreed by the Parties, Customer shall use reasonable efforts to carry out the audit of Wiz's compliance with this DPA together with the audit of Wiz's compliance with the Security Addendum.

9. TRANSFERS OF CUSTOMER DATA

9.1 Transfers of Customer Data. Wiz may transfer Customer Data outside of its country of origin as reasonably required to provide the Services, in accordance with its operating model and subject to the obligations set forth in this DPA.

9.2 Transfers to countries that offer an adequate level of data protection. Customer Personal Data may be transferred from the Extended EEA Countries to countries or frameworks that offer an adequate level of data protection under or pursuant to the adequacy decisions published by the relevant data protection authorities of the Extended EEA Countries ("Adequacy Decisions"), without any further safeguard being necessary.

9.3 Transfers to other countries. If, and to the extent, the Processing of Customer Personal Data which is subject to Data Protection Laws of the Extended EEA Countries includes transfers by Customer from the Extended EEA Countries to Wiz in countries outside the Extended EEA Countries which have not been subject to an Adequacy Decision ("Third Countries"), the Parties agree that such transfers shall be undertaken on the basis of the Standard Contractual Clauses, which will be deemed to have been signed by each

Party on the Effective Date of this Agreement, are incorporated herein by reference and construed in accordance with Schedule 2 below, unless another mechanism provided for in the Data Protection Laws of the applicable Extended EEA Country applies.

9.4 In the event Customer enables Third Party Integrations (as defined in the Agreement) which involve transfers of Customer Personal Data between Wiz and the Third Party Integration provider, Customer acknowledges and agrees that (a) such Third Party Integration providers are not Sub-Processors of Wiz; (b) such transfers are conducted at Customer's instruction in accordance with an agreement between the Customer and such Third Party Integration provider (which Wiz is not a party to); and (c) Customer shall be solely responsible for such transfers and their compliance with Data Protection Laws, including without limitation, executing Standard Contractual Clauses with such Third Party Integration providers as required.

10. US PRIVACY LAWS

10.1 In performing its obligations under the Agreement and this DPA, Wiz shall comply with its obligations under US Privacy Laws, including by providing the level of privacy protection as is required by US Privacy Laws to Customer Personal Data subject to the US Privacy Laws. Wiz will not: (1) "sell" or "share" for purposes of "cross-context behavioral advertising" or "targeted advertising" (as defined by applicable US Privacy Laws) any Customer Personal Data; (2) retain, use, or disclose Customer Personal Data for any purpose other than the contractual business purpose set forth herein or as otherwise permitted under US Privacy Laws or outside of the direct business relationship between Wiz and Customer; or (3) attempt to re-identify any pseudonymized, anonymized, aggregate, or de-identified Customer Personal Data.

10.2 Wiz will (1) comply with any applicable restrictions under applicable US Privacy Laws on combining Customer Personal Data with Personal Data that Wiz receives from, or on behalf of, another person or persons; and (2) promptly notify Customer if Wiz determines that it (i) can no longer meet its obligations under this DPA or applicable US Privacy Laws; or (ii) in Wiz's opinion, an instruction from Customer infringes applicable US Privacy Laws.

10.3 To the extent required under US Privacy Laws, Customer may take reasonable and appropriate steps to help to ensure that Wiz uses Customer Personal Data in a manner consistent with Customer's obligations under US Privacy Laws and to stop and remediate unauthorized use of the Customer Personal Data.

10.4 Wiz certifies that it understands its obligations in this Clause 10. The Parties agree that Schedule 1 hereto shall satisfy any requirement under applicable U.S. Privacy Law to provide details regarding the nature of the Processing activities related to Customer Personal Data.

11. INCIDENT MANAGEMENT AND NOTIFICATION. Wiz shall notify Customer without undue delay after becoming aware of an Incident. Wiz shall make reasonable efforts to identify the cause of the Incident and take steps as Wiz deems necessary, possible and reasonable in order to remediate the cause of such Incident. Customer (or its customers, as applicable), will be the party responsible for notifying supervisory authorities and/or concerned Data Subjects (where required by Data Protection Laws).

12. RETURN AND DELETION OF CUSTOMER DATA. Subject to the Agreement, upon termination or expiry of the Services, Wiz shall make Customer Data available for return via the Services and delete such Customer Data in accordance with Wiz's customer data retention & deletion policy, provided that Wiz may retain Customer Data (a) stored in backups for a limited period of time in accordance with its industry standard customer deletion and backup policy or (b) to comply with applicable law, and in either case, any Customer Data so retained shall remain subject to the confidentiality, privacy and security obligations in this Agreement.

13. TERMINATION. This DPA shall automatically terminate upon the termination or expiration of the Agreement under which the Services are provided, provided that, to the extent Wiz retains any Customer Data following termination or expiration of the Agreement, this DPA shall survive for such period that Wiz retains Customer Data. Clauses 2, 3.2, 13 and 14 shall survive the termination or expiration of this DPA for any reason. This DPA cannot, in principle, be terminated separately from the Agreement, except where the Processing ends before the termination of the Agreement, in which case, this DPA shall automatically terminate.

14. RELATIONSHIP WITH AGREEMENT. Subject to any provisions in Schedule 2 regarding governing law and choice of forum of the Standard Contractual Clauses, the governing law and choice of forum provision in the Agreement shall apply to this DPA. In the event

of any conflict between the provisions of this DPA and the provisions of the Agreement, the provisions of this DPA shall prevail over the conflicting provisions of the Agreement.

15. AFFILIATES. To the extent that any of Customer's Affiliate(s): (a) is subject to the Data Protection Laws; (b) provides Customer Data to Wiz in the context of the Services; and (c) is permitted to use the Services pursuant to the Agreement but has not signed its own agreement with Wiz and is not a "Customer" as defined under the Agreement, the Parties acknowledge and agree that, by executing the Agreement, Customer enters into this DPA on behalf of itself and, in the name and on behalf of such Affiliates, subject to the following: (a) each Affiliate agrees to be bound by the obligations under this DPA and any violation of this DPA by an Affiliate shall be deemed a violation by Customer; (b) Customer shall remain exclusively responsible for coordinating all communication with Wiz under the Agreement and shall be entitled to make and receive any communication in relation to this DPA on behalf of its Affiliates; and (c) Affiliates shall not be entitled to bring a claim directly against Wiz. If an Affiliate seeks to assert a legal demand, action, suit, claim, proceeding or other forms of complaints or proceedings against Wiz ("Affiliate Claim"): (i) Customer must bring such Affiliate Claim directly against Wiz on behalf of such Affiliate, unless Data Protection Laws require the Affiliate be a party to such claim; and (ii) all Affiliate Claims shall be considered claims made by Customer and shall be subject to the limitation of liability set forth in the Agreement.
